December 11, 1923.

Dr. Aurelio H. Reinhardt,
President Mills College,
Mills College, Calif.

Dear Dr. Reinhardt:

In your underlying interest in what is best in California tradition and romance, I feel quite sure you would be interested in my attempt to preserve--- and obtain for your own use the Folk Songs of California in the Pastoral Days.

I enclose circular explaining the case briefly. The Book is just out and is very handsome.

Sincerely yours,
